Rich, this is different from the number Paula sent.

"PLEASE NOTE Number change: Call in: 800-450-5189 Please tell operator you're calling in for the Gold King Mine Release call"

Also, it's different from the number I've been giving media:

Conference dial-in: 866-900-8984

Conference code: 9662033

Which is it?

This is a conference call update for media regarding the Gold King Mine Release. If possible, could lead speakers call in at 2:45? Call with media will start at 3pm, Mountain Standard Time, until Friday August 14, 2015, at which time we will reevaluate the frequency required. Call-in number is for EPA only. A different number has been sent to media participants.

Please let me know if you have any questions. There is some discussion about an adobe connect presentation. If so here is the url
